

Lil Hustlaz

WHITEPAPER

Prepared by Hustlers for Hustlers

GET PAID

We are not a traditional NFT project, we are a legitimate business. We want our community (YOU) to get paid. Holders of our Lil Hustla NFT collection get access to our exclusive earnings program and our platform/community that we have built.

With this access you will be able to earn money for each mint processed with your referral code. The amount of commission you can receive is scalable by the amount of hustlaz you hold. Take a look down below and you can see our earnings program.

EARNINGS PROGRAM

Hustlaz Held	Hustla Cost	Commission	ETH Value
0	0	5.00%	0.0018
1	0.035	20.00%	0.0070
2	0.07	25.00%	0.0088
5	0.175	35.00%	0.0123
10	0.35	50.00%	0.0175
Ultra Rare	0.035	75%	0.0263

Our earnings program scales based on thresholds. The more Hustlaz you hold the more you can earn. It is that simple. If you are lucky enough to mint an Ultra Rare, you will receive 75% commission, the highest rate possible.

Why did we choose these numbers? Quite frankly.. to shake shit up. Web3 and Crypto is a space of opportunity, and we want to build a brand revolved around that. What better way to do that then to give back our community/investors immediately. We don't need to make long term promises that may or may not get you your money back. We want to give YOU a platform to make money RIGHT NOW.

Think about it. You end up selling 20 Hustlaz while sitting at a commission rate of 75%. Congratulations Hustla! You just made over half an ETH while barely lifting a finger.

REFERRALS AND PAYMENTS

REPORTING

"We are not a traditional NFT project, we are a legitimate business"

- Perrin Moncur

We are a business and in order to properly report sales and earnings, we need to follow specific accounting procedures. But we like to keep things simple here. In order to log your sales and earn money, all you need to do are the following:

- **Register a creator code** - You will need to register a creator code with us so we can log it in our system. After this happens you are free to go out in the world and make magic happen.
- **Provide payment information** - VERY IMPORTANT in order to receive any money. We offer payment in both MATIC and ETH. However, if you choose to be paid in ETH the cost of gas will come out of your pool. BUT, if you choose MATIC we will cover the gas for you.
- **Verify that you are a holder** (optional) - In order to claim higher commission rates you will need to verify. We utilize collab-land, this way we can accurately track the # of Hustlaz you hold in real time.

After all the above has been done, you are ready to make some money. But we wouldn't leave you high and dry like that. As mentioned before, we are a business and effectively you have become an employee and part of our family. With that being said we like to provide for our family and give you resources to become a better salesman or saleswoman. We will hold seminars, spaces, and even provide simple graphic design work shops so that you can build your skills as a professional.

Payment schedule is once a week on Sundays. We operate in the EST timezone.

FUTURE UTILITY

We are building a brand. Some people are worried that when our supply is accumulated that our "utility" ceases to exist, but don't worry we are not stopping there. Our hustlaz will forever be locked in to earning commission on all future projects done by our team. We are one hundred percent doxxed and are not here to play. We want to provide opportunity and will not sleep until we do so.

With all that being said, we already have our sister collection in the works called *Lil Baddiez*. Created by our female artist and made to represent the strong woman in the crypto space. Our future projects wont stop there, and we will have more news to come as we continue to build our empire.

Commission rates are subject to change on future projects based on external factors.

Are you ready to breakaway from the mundane world and earn a living in crypto??
